The power to pay for care

Use your Paytient card to pay for care over time — always without interest or fees.
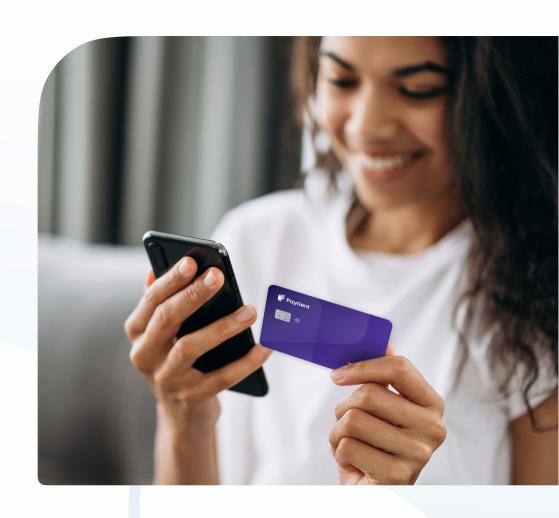

- ## Power in planning

  Your Health Payment Account (HPA) transforms out-of-pocket healthcare expenses* into affordable repayments plans that fit your budget — you set the schedule.

- ## Retake control of your care

  Use your HPA for **medical, dental, vision, pharmacy, mental health, and/or veterinary care.** Get the care you and your loved ones need, without any interest or worries.

- ## We are here to help

  Our support team is just a tap away. In-app chat support is available if you ever have a quick question, concern, or need to make a change.

How Paytient works

1. Create your account

Your HPA is ready for you! Scan the QR code below or visit **paytient.com/start** to get started.

2. Swipe

Swipe, tap, or insert your Paytient card to pay for a out-of-pocket health expense.*

3. Click

Click the notification that appears on your smartphone.

4. Split

Choose the interest-free payment plan that fits your family's budget.

*Note: Your Paytient card works with providers in certain approved merchant categories. The provider self-selects their merchant category, and in some cases a provider might not be categorized as you expect. If your card is unexpectedly declined, contact Paytient customer support.
