

Provider Search

BrightSpring's medical plan, administered by Imagine360 is open access. This means you can use the providers and hospitals of your choice. There are no in or out of network providers*.

Participants can access the Multiplan Practitioner & Ancillary network. Keep in mind, the network only includes providers and ancillary services. Hospitals are all open access.

Follow these instructions to search the MultiPlan network:

1. Visit the **MultiPlan** site
2. Click "Find a Provider in the top right corner.
3. Choose the MultiPlan network.
4. Choose Practitioner & Ancillary
5. Use the search tool to narrow your search.

You can also search Imagine360's provider listing. Here you can find Provider Acceptance and Quality Ratings.

1. Visit Imagine360's **provider search** page
2. Enter the code "OYZLP"
3. Add your search criteria

Learn more about the provider search in this **brief video**.
