Visit https://providers.imaginehealth.com/ for a list of participating Imagine Health Level I & II providers . Visit www.multiplan.com/mpipracanc for a list of participating Multiplan Level II providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
